

It's where art meets engineering

GAF Designer Collection Shingles are more than a pretty roof. They're engineered with Advanced Protection® Technology, GAF Time-Release Algae-Fighting Technology, and proprietary Dura Grip™ Adhesive for durability.

If you live in the Sunbelt, storm-prone mountain foothills, or a moist region plagued by blue-green algae, there's a Designer Shingle with features designed to help protect your home. From our Reflector Series™ Shingle colors that reflect the sun's UV rays, to ArmorShield® Shingles that pass the UL 2218 Class 4 Impact-Resistance Test, to the 25-Year StainGuard Plus™ Algae Protection Limited Warranty against unsightly blue-green algae discoloration¹ that's now included with many of our GAF Designer Shingles, we have a beautiful roof engineered for you.

¹ Lifetime refers to the length of warranty coverage provided and means as long as the original individual owner(s) of a single-family detached residence [or eligible second owner(s)] owns the property where the qualifying GAF products are installed. For other owners/structures, Lifetime coverage is not applicable. Lifetime coverage on shingles requires the use of GAF Lifetime Shingles only. See the GAF Shingle & Accessory Limited Warranty for complete coverage and restrictions. Visit gaf.com/LRS for qualifying GAF products. Lifetime coverage on shingles and accessories requires the use of any GAF Lifetime Shingle and at least 3 qualifying GAF Accessories. See the GAF Roofing System Limited Warranty for complete coverage and restrictions. For installations not eligible for the GAF Roofing System Limited Warranty, see the GAF Shingle & Accessory Limited Warranty. Visit gaf.com/LRS for qualifying GAF products.

² StainGuard Plus™ Time-Release Technology is available only on Shingles sold in packages bearing the StainGuard Plus™ logo. Products with StainGuard Plus™ Time-Release Technology are covered by a 25-year limited warranty against blue-green algae discoloration. See GAF Shingle & Accessory Limited Warranty for complete coverage and restrictions, and qualifying products.
